Our Guarantee

You will achieve a level of comfort and skill that you've never been able to reach before; you will marvel at your progress in just one class session; you will begin to understand how water works for the first time; you will begin to find what it is like to be at ease in water regardless of how you've felt before, provided that you remain true to yourself and do only what is fun for you throughout the course. You will receive a full refund of the course fee minus \$35 Pacific Masters Swimming dues (not ours to refund) if you do only what is fun for you throughout the course and you do not see progress and you feel you should have your money back. No refunds/transfers for missed classes.

- *apply the teaching to myself
- *practice in class
- *ask for help when I need it
- *and give myself time to learn.

I understand that if I don't do all of the above, I waive my right to a refund. If you agree, please place your signature below.
